

Absoute Mortgage Banking and Cause Insurance: partnering to provide the most competitive insurance products and premiums

How? Minimum Effort/Maximum Result

Win for your Client

- Supports your client's local community at no cost to them.
- Allows your clients to access the breath and depth of the insurance market.
- More competitive rates, better coverage and pricing.

Win for You

- Provides you with a new marketing tool that blends services with philanthropy.
- Gives you a streamlined, enhanced marketing reach often offering you and your clients more insurance with better coverage.
- Keep in touch with your clients...and you can do it yearly.
- Offers you the opportunity to get your own coverage through Cause, allowing you to support the charity of your choice.

• How it Works

Often with one signature on one page you or your client can redirect up to 20% of Cause's brokerage commission to the charity of their choosing.

Support contribution is made on behalf of you or your client (in your names) at no additional premium cost.

After we're in receipt of your insurance policy we will conduct a comprehensive insurance review. 75% of the time we can offer better coverage, a lower premium – or both!

This 20% support check will continue to the selected charity year-after-year as long as the policy remains active with Cause Insurance.
